600

refugees from Ukraine placed in the Polish alternative care system

900

children **evacuated from institutional care** facilities in Ukraine to Poland (as of 11/2024)

499

children with their **foster families** evacuated from Ukraine to Poland (174 families)

**OUTSIDE OF THE
POLISH
ALTERNATIVE
CARE SYSTEM**

Support services

- ☐ Training programme for Ukrainian foster parents approved by the Ministry of Family, Labour and Social Policy
- ☐ Establishment of Ukrainian foster families, provision of services (Lighthouse model)
- ☐ Relocation of children from large facilities to small-group homes aligned with the standards in Poland, provision of services
- ☐ Careleaver support programme

Needs

- ❑ **Inclusion of children** evacuated from institutions and foster families from Ukraine **into the Polish alternative care system** in order to provide equal access to services for children and ensure consistent monitoring of their well-being and safety
- ❑ **Enhancing the data collection** on refugee children in alternative care
- ❑ **Creation of foster families** among the refugee community
